

Maine

Maine

The Decoflame® Maine fireplace creates a graceful and homely atmosphere in any residence.

Maine is a free-standing floor model which can be located at any position in a room, even in the middle of it if desired. This model was originally designed for those who like to redecorate their homes regularly as it is easily relocated. The black colour of the fireplace can make other colours in your room appear brighter. Maine will convey elegance, sophistication and even a touch of mystery. It has an adjustable burner that is easily filled with bioethanol.
