Go Modern To Exhibit At The Ideal Home Show

Sunday, March 22nd, 2009

Go Modern offers an outstanding online collection of contemporary furniture, including garden furniture and accessories, such as living, dining and bedroom furniture, wardrobes, kitchens, mirrors and flueless fires.

Here we present some of the items to be showcased at the Ideal Home Exhibition, on The Smarter Living Futuristic Garden stand and in the Dream Home and Guest House contemporary show garden.

- 1) The Tower Indoor garden Fire - Winner of international awards, the EcoSmart collection of indoor and outdoor flueless fires, generate significant heat from real flames, yet need no gas supply, electricity or special ventilation.
- 2) Chelsea Corner Garden Sofa - Is made from an exclusive all weather synthetic rattan on an aluminium frame; cool and smooth to the touch in the hottest weather, dirt repellent, water and frost resistant, this beautiful outdoor furniture is designed to last forever and requires little maintenance.
- 3) Forest Armchair - Designed by Robby and Francesca Cantarutti, the Forest collection takes its inspiration from nature, echoing the shape of a tree in winter. Manufactured in Italy from solid aluminium; the Forest armchair is beautifully crafted and very comfortable.
- 4) Frou Frou Parasol - This contemporary garden parasol definitely has the wow factor; made from polypropylene raffia, the parasol has a fringed canopy that sways and rustles in the breeze, evoking tropical islands and clear blue seas.
- 5) Neptune Garden Chair - Is made from an exclusive all-weather synthetic rattan on an aluminium frame; cool and smooth to the touch in the hottest weather, dirt repellent, water and frost resistant.
- 6) Kanpazar Garden Light - Inspired by a pine tree and designed by Jon Santacoloma, the stunning Kanpazar outdoor light is made from neutral polyethylene; totally weatherproof, the light can be free-standing or secured to the ground, using a fixture.
